[News Release 15-17 San Juan River Arm Caution .pdf](#)

Hi Donald,

The media release sent out by Glen Canyon National Recreation Area is attached. We have received quite a few media inquiries. Thanks for keeping me in the loop!

This email is just to establish the list of people that should be included in any further communication about the San Juan River mine water pulse. The list includes representatives from the Division of Water Quality, Division of Drinking

Water, DEQ's District Engineer, Utah Department of Health, San Juan County Health Department, and BLM. If there are additional contacts that need to be included, please add them and resend this email.
